

IAPA CT CHAPTER MEETING 12/6/2014

MINUTES

The event was self-sponsored by the members due to the new Sunshine Law.

1. Welcome by the new President of the IAPA CT Chapter: Dr. Sanjay Banerjee. Thank you to all members who attended the meeting to begin revival of CT Chapter IAPA.
2. Lunch
3. Introduction of all members/family
4. New members: Dr. Ali Shamsi, Dr. Deepti Chopra, Dr. Neelu Gill, Dr. Amy Taylor.
5. Update on IAPA by Dr. Juthani. All information regarding IAPA can be found on www.myiapa.org. We need to define committee positions in order to form committee. Current committee includes: Dr. Banerjee as President, Dr. Bansal as Treasurer/General Secretary. During today's meeting, Dr. Ali Shamsi was selected to be General Secretary. We learned that all IAPA chapters Presidents hold monthly teleconferences to discuss new issues/topics/chapter development programs. CT IAPA chapter is the oldest IAPA chapter to form. Since, CT IAPA falls under National IAPA, we do not have to file for a special registration or tax exemption. We can use the ID assigned to National IAPA. The website has additional information regarding membership and fees.
6. Financial report by Dr. Bansal: \$1,881.23 in IAPA CT Chapter Account.
7. APA Annual Meeting will be held from May 16-20, 2015 in Toronto, Canada. CT Chapter of IAPA will form a delegation to represent the chapter at the Annual Meeting. More will be discussed in the next meeting.
8. Guest lecture by Dr. Amy Taylor on "QTC Prolongation and recent literature." This led to a stimulating discussion among those in attendance.
9. Please email any additional ideas to Dr. Banerjee at KHOGI@AOL.COM and/or Dr. Bansal at RKUMARIBANSAL@YAHOO.COM
10. Next meeting on Saturday April 11, 2015
